Soft Skills

- Team Player
- Smart Worker
- Quick Debugging

About Me

I am Adithyan S Pillai, currently in my final year of B.Tech in Computer Science at Carmel College of Engineering and Technology, under the esteemed APJ Abdul Kalam Technological University. With a passion for technology and a keen interest in software development, I have honed my skills in various programming languages, web development frameworks, and software tools

Education

- 2021–25 **B.Tech in Computer Science and Engineering** CCET, Alappuzha
Completed a degree under APJ Abdul Kalam Technological University, with 6.91 CGPA.
- 2019–21 **Higher Secondary (Computer Science)** Govt. Model Boys HSS, Haripad
Completed with 89% under Kerala Board, specializing in computer science fundamentals.
- 2019 **SSLC** SNEMHSS Oachira
Achieved 85% under Kerala Board, establishing a strong academic foundation.

Project Experience

- 2024–25 **Realtime Interview Analysis and Adaptive Questioning Engine** B.Tech Main Project
An AI-enabled tool to assess participant confidence via audio/video cues, featuring real-time analysis and adaptive question suggestions for interviewers based on responses.
- 2024 **EXamin - Exam Software** Project
A computer-based testing platform built with React JS, Node JS Express, and MongoDB, offering a user-friendly interface, section-based MCQ division, and a question palette for easy navigation.
- 2024 **EduCCET** Project
A mobile application for CCET students to explore BTech syllabus, credits, and course criteria, enhancing accessibility and academic planning.
- 2023 **Digital Library System** BTech Mini Project
A digital library system for college, providing search and access to books, notes, and previous year question papers, aimed at improving study material availability anytime, anywhere.

Internship

- 2023 **Android Development Internship** Shrishti Innovative, Trivandrum
Worked on Android app development, gaining practical skills in mobile application design and implementation during a structured internship.

Workshops

- 2024 **Data Mining Workshop** NIT Calicut
Attended a workshop on data mining techniques, enhancing knowledge in data analysis.
